REPAIRS/CONSERVATION

THE DOVECOTE, CHILLINGTON HALL PORT LANE, BREWOOD

WINNER IN CATEGORY

This scheme involved the restoration of a listed 18th C dovecote using traditional materials and techniques, all informed by older survey data and artworks. Work began in early 2010 and was completed in June 2010.

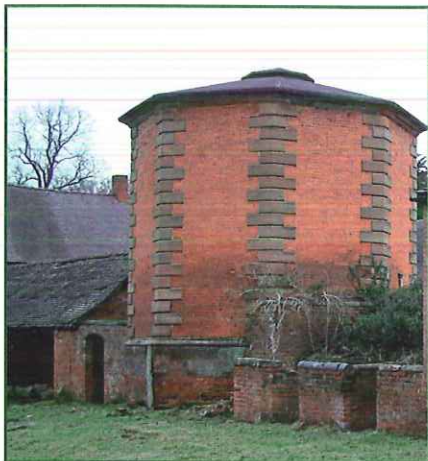

Owners: Mr & Mrs John Giffard, Chillington Hall

Architect: Ronnie Cruwys, Horsley Huber Architects, Ltd., Stafford

Main Contractor: R S Miller Roofing Ltd., Brierley Hill

Comments

This is an example of informed and detailed restoration which is part of a larger scheme aimed at removing formerly redundant and failing structures from the Heritage at Risk Register.
